For Patients with Sarcoma & Their Families

Exciting Fund-Raising News....

On January 28, 2007, Equinox Fitness and Jennifer Goodman Linn (an MSKCC sarcoma patient who has been battling the disease since December 2004) teamed up for the first annual Spin4Survival cycle-a-thon to raise money for MSKCC's sarcoma center.

The event, which involved more than 400 people, was created as a loving tribute to Jen's extended "family" at Memorial Sloan-Kettering Cancer Center — the nurses, oncologists, surgeons, and radiologists who are helping to save her life.

The event raised more than \$210,000 for MSKCC's sarcoma research center, and plans are already in place for the 2008 event.
